#### ***Who is offering to buy my Shares?***

Alternative Liquidity Index LP, a Delaware limited partnership, with a mailing address at 11500 Wayzata Blvd. #1050 Minnetonka, MN 55305 , telephone (888)884-8796.

### ***Why is this Offer taking place?***

We wish to establish an ownership position in the Shares of the Company and at the same time provide liquidity to legacy holders. The Shares are listed on the Australian Stock Exchange, but are currently suspended. The Shares, to the best of our knowledge, have not traded since October 2, 2019. The Purchaser's current goal is to obtain ownership of Shares for passive investment purposes and potential capital gain.

The Purchaser will not be acquiring any more than 19.99% of the Shares in the Company and has no intent to make a takeover offer for the Company or acquire any more Shares than stated in this Offer.

### ***What securities are you offering to purchase and what is the purchase price?***

We are offering to purchase up to a maximum of **100,000,000 Shares** at a **Purchase Price of \$0.01(1 cent) per Share, equivalent to approximately 9.1% of the outstanding Shares in the Company** in cash, without interest, and subject to the terms and conditions of this Offer. **Under no circumstances will the Purchaser acquire than 19.9% of the total issued capital**, As at the date of this Offer, to our knowledge, 1,098,349,261 Shares have been issued by the Company.

As such the maximum number of Shares that can be acquired by the Purchaser is 218,571,503.

### ***What is the current market price or fair value?***

The Purchaser is not aware of any current market price or transactions occurring between investors in the Company. The Shares have been suspended from trading on the ASX since October 2, 2019. The last trade prior to suspension occurred at a price of \$1.07. However, the Company has since demerged substantially all of its active sources of revenue into a different entity. The Purchaser values the Shares in the Company at \$0.01 (1 cent) per Share (as set out below) which it believes to be fair value.

### ***How did we value your Shares?***

The Purchasers have set the Purchase Price at \$0.01 (1 cent) per Share. In determining the Purchase Price, the Purchasers analyzed several quantitative and qualitative factors, including: (i) the current ASX suspension and the resulting lack of liquidity of an investment in the Company; (ii) the estimated value of the Company's assets, using all available information, (iii) the demerger of substantially all of the Company's active revenue sources, including its European business into a separate entity, (iv) ongoing cash expenditures and uncertainty related to pending legal and regulatory issues facing the Company, and (iv) the costs to the Purchaser associated with acquiring the Shares.

Based on this valuation methodology, the Purchaser has determined that the fair value of the Shares to be between \$0.00743 (0.743 cents) and \$0.0102 (1.02 cents). Net asset value per share is \$0.00929 (0.929 cents) and therefore the Purchase Price of \$0.01 (1 cent ) is 7.6% above calculated net asset value.

***What if the fair market value changes?***

The Purchaser will update you directly in the event there is a material change to the value of the Shares in its opinion or if for some reason the Purchaser's valuation of the Shares materially changes.

The Purchaser will comply with Section 1019J of the Act in circumstances where there is an increase or decrease in the market value of the Shares. Primarily this means that we will send you a supplementary offer or withdraw the Offer within 10 days of becoming aware of any material change.

***When does this Offer expire?***

In accordance with section 1019G(1) the Offer must remain open for at least 1 month following the date of the Offer and will not remain open past the expiry of 12 months from the date of this Offer.

The Offer will expire on January 14, 2022, unless we choose to extend the Offer by notice to you. If a broker, dealer, or other nominee holds your Shares, it is possible you will have a deadline **before** the Expiration Date in order for such broker, dealer, or other nominee to take actions on your behalf.

We may choose to extend this Offer at our sole discretion, subject to applicable laws. See "The Offer, Section 2 – Terms of the Offer".

***How will I know if the Offer extended or terminated?***

If we decide to extend the Offer, we will contact you directly and provide you with a supplementary document extending the Offer. We will announce any amendment to the Offer by making a public

announcement of the amendment. The Offer may be terminated under certain conditions described in “The Offer, Section 8 – Conditions to the Offer”.

In accordance with section 1019G(2) we may not terminate the Offer within 1 month of the date of this Offer.

***Will we change the terms of the Offer?***

No. If the Purchaser wishes to amend the Offer prior to the end of the Expiration Period we will withdraw this Offer and make a new Offer if we wish to do so.

***If I agree to sell my Shares, when will I receive payment?***

All selling shareholders will receive payment of the stated Purchase Price within 10 days of the Expiration of this Offer, in cash, without interest, and less any applicable withholding taxes.

***Do we have the financial capacity to purchase Shares in the Offer?***

Yes. We have sufficient cash on hand and capital commitments to purchase any and all Shares, up to the maximum number of Shares sought. As a result, this Offer is not conditioned upon any financing arrangements.

***What are the conditions to the Offer?***

This Offer is subject only to customary conditions, for example, the absence of legal or government action prohibiting or restricting the Offer, as well as changes in the Company’s business that would be considered materially adverse to us. See “The Offer, Section 8 – Conditions to the Offer”.

***What happens if the Offer is oversubscribed?***

If more than 19.99% of the Shares are the subject of valid Transfer Forms and not properly withdrawn prior to the Expiration Date (or such greater number of Shares as we may elect to purchase in the Offer as expressly permitted herein), we will purchase Shares on a pro rata basis, with fractional Shares rounded up to the nearest whole Share, such that the aggregate number of Shares that we purchase will not be more than 19.99% of the issued Shares.

**Because of the proration provisions described above, we may not purchase all of the Shares that you agree to sell. See “The Offer, Section 4 - Acceptance for Payment and Payment for Shares.”**

***Have other shareholders previously agreed to sell their Shares in the Offer?***

No. There are no agreements in place with any officer, director or shareholder of the Company.

***If I change my mind, can I withdraw my Transfer Form?***

Shares for which Transfer Forms have been provided under this Offer may be withdrawn before the Expiration Date. To properly withdraw your Transfer Form, a Shareholder must follow the procedures set forth in “The Offer, Section 6 – Withdrawal”.

***Are there tax consequences?***

All selling shareholders should discuss any potential individual tax ramifications with your tax advisor. Please see “The Offer, Section 8 – Tax Consequences” for additional detail.

***What are the additional costs if I wish to sell my Shares?***

There will be no additional costs to you. If you hold Shares through a broker, dealer, commercial bank, trust company or other nominee, you may have additional costs and we advise you to consult with your broker, dealer, commercial bank, trust company or other nominee to determine whether additional costs are applicable to you. See “The Offer, Section 5 – Procedures for Accepting the Offer and Selling Shares”.

***Has the Company board of directors approved this Offer?***

The Purchaser has not had any contact with the board of directors of the Company and to the best of the Purchaser’s knowledge, the Company has not, as of the date hereof, provided any recommendation regarding this Offer.

***Who can answer questions regarding the Offer?***

All inquiries regarding the Offer and any Offer materials may be directed to the Purchaser, at the address appearing above and on the back cover of this Offer.

### **3. INFORMATION REGARDING THE PURCHASER AND THE TARGET**

#### **Information Regarding the Purchaser; Background Regarding Offer**

The Purchaser has not commissioned any appraisal or engaged any independent financial advisor or other third party to perform any valuation analysis or provide any opinion in relation to the value of the Shares. The Purchase Price offered is based solely upon the Purchaser's own independent assessment of Share value, based solely on its analysis of the information contained on the Company's site (<https://www.isignthis.com.au/>), including its ASX announcements, such site being accessible by all persons wishing to do so. All shareholders are urged to access information on this site in order to evaluate this Offer. All selling shareholders are encouraged to engage in their own, independent valuation analysis before making a decision respecting this Offer.

The Purchasers have set the Purchase Price at \$0.01 (1 cent ) per Share. The Purchaser has used the following method and taken the following factors into account, in arriving at a valuation of between \$0.00743 and \$0.0102 per share.

(i) the current ASX suspension and the resulting lack of liquidity of an investment in the Company; (ii) the estimated value of the Company's assets, using all available information, (iii) the demerger of substantially all of the Company's active revenue sources, including its European business into a separate entity (iv) ongoing cash expenditures and uncertainty related to pending legal and regulatory issues (iv), and the costs to the Purchaser associated with acquiring the Shares.

The Company's Shares have been suspended from trading on ASX since October 2, 2019. As the Prospectus dated September 7 2021 notes, the Company is a plaintiff in legal proceedings which may take some time to resolve. It is unlikely ASX will lift the current suspension of the Company's shares before these legal matters are resolved. The Purchaser is not aware of any recent trading activity in the Shares of the Company. The lack of any public market for the Shares means that Shareholders have limited alternatives if they seek to sell their Shares. As a result of such limited alternatives for Shareholders, the Purchaser takes a greater risk in establishing a purchase price as there is no prevailing market price to be used for reference and the Purchasers themselves will have limited liquidity for the Shares upon completion of any purchase. Accordingly, the Purchasers applied a discount for lack of liquidity when estimating the fair value of the Shares.

Since the shares are suspended from ASX and there is no other readily available secondary market, the Purchaser must incur additional costs in order to acquire the Shares. These additional costs include but are not limited to legal fees involved in structuring the offer, and the cost of mailing offer materials to shareholders.

On October 19, 2021, the Company announced that it had completed the demerger of ISX Financial EU Plc ("ISXFEU"). Upon completion of this demerger substantially all of the revenue generating assets of the Company went to ISXFEU and are no longer part of the Company. The Purchaser notes that according to the Pro Forma financial statements provided in the Prospectus

dated September 7 2021, cash flow from operations for the Company, without the demerged operations would have been (\$3,848,497) for the year ended December 31, 2020. The pro forma revenue for the Company post demerger is \$13,445,594 for the year ended December 31, 2020. However, the pro forma revenue includes \$13,200,000 in dividend income received from its ownership of ISXFEU, and this dividend income will not be repeated in subsequent years. Therefore, the demerger of ISXFEU removed substantially all the currently active revenue sources of the Company. The Purchaser also notes that one of the Company's business units has applied to the Australian Prudential Regulatory Authority for an Authorized deposit-taking institution license under the Purchase Payment Facility subclass. Additionally, the Company has applied for other licenses necessary to operate its business in Australia. However, it is uncertain when or if the company will receive these approvals. Moreover, this business unit of the Company lost its Australian customer base, and thus revenues, during late 2019 as a result of the ASX suspension.

According to the Quarterly Activities Appendix 2C dated October 28<sup>th</sup>, 2021, as of 19<sup>th</sup> October 2021, the Company had net assets of \$10.2 million. The Purchaser also notes that this net asset figure includes a \$6.6 million convertible note in ISX FEU, which is a non-traded security. Therefore less than \$4 million of net assets consists of cash or other liquid assets. Based on Shares outstanding of 1,098,349,261, the Purchaser calculated that this is equivalent to net assets per Share of \$0.00929.

The Purchaser notes that the Company has claimed \$462 million in damages from ASX Limited, and is pursuing these claims in Federal Court Proceedings. However, there is no assurance they will be successful in pursuing these claims. According to the Quarterly Activities Appendix 2C, ongoing cash expense related to legal and advisory costs was Euro 1,092,617. Based on the exchange rate of \$1: Euro 0.6381, this is approximately \$1,712,297. The Purchaser notes that it is uncertain if the Company will have sufficient cash resources to pursue its legal claims until their conclusion. If the Company has insufficient cash resources to pursue its legal claims, it will need to abandon its claims, or raise additional capital, potentially on dilutive terms.

The Purchaser estimates that the fair value of the shares is between \$0.00743 and \$0.0102. At the low end of the range, the Company is valued at a 20% discount to net asset value per share. At the high end of the range the Company is valued at a 10% premium to net asset value. The Purchase Price is above the midpoint of this valuation range and represents a 7.6% premium to the net asset value of the Company.

#### 4. **ACCEPTANCE FOR PAYMENT AND PAYMENT FOR SHARES**

Subject to the terms and conditions of this Offer, we will pay, the Purchase Price for a maximum of 100,000,000 Shares for which we receive valid Transfer Forms within 10 days after the Expiration Date. We reserve the right to delay payment for Shares until satisfaction of all conditions of the Offer, or to comply with any applicable law. Payment for Shares to be transferred under

this Offer will be made upon the receipt of holding statements in the name of the Purchaser (or its nominee) for the exact number of Shares stated under this Offer, unless the Purchaser decides to purchase less than the maximum stated under this Offer by giving such notice to Shareholders.

We will provide written notice to you of our acceptance of Shares under this Offer, and at such time we will have been deemed to have accepted such validly completed Transfer Forms.

If applicable, we will pay all related registration costs on Shares purchased under this Offer.

We hereby reserve our right to transfer or assign in whole or part the right to purchase all or a portion of the Shares to any of our affiliates. Such transfer will not relieve us of our obligations under the Offer and will not compromise the right of selling shareholders to receive payment for Shares for which a valid Transfer Form is received.

In the event that the Purchaser receives valid Transfer Forms for an amount of Shares that exceeds 100,000,000, Shares will be subject to proration. The proration period expires on the Expiration Date. If more than 100,000,000 Shares (or such greater number of Shares as we may elect to purchase in this Offer as expressly permitted herein and under the Act) are the subject of a valid Transfer Form and not properly withdrawn prior to the Expiration Date, we will purchase Shares on a pro rata basis, with fractional Shares rounded up to the nearest whole Share, such that the aggregate number of Shares that we purchase is not more than a total of 19.99% of the issued capital of the Company.

If proration of Shares is required due to the Purchaser acquiring a number of Shares that would result in the Purchaser holding more than 20% of the issued capital of the Company, the Purchaser will determine the proration factor promptly after the expiration of the Offer. Subject to adjustment to avoid the purchase of fractional Shares, proration for each holder of Shares will be based on the ratio of the number of Shares validly stated in the Transfer Form and not properly withdrawn by such holder to the total number of Shares validly stated in the Transfer Form and not properly withdrawn by all holders. The Purchaser will confirm in writing to shareholders the final proration factor and commence payment for any Shares purchased pursuant to the Offer promptly after the Expiration Date.

**Under no circumstances will the Purchaser pay interest on the consideration paid for Shares pursuant to the Offer, regardless of any extension of the Offer or delay in making such payment.**

## **5. PAYMENT OF TRANSFER AND REGISTRY FEES**

The Purchaser has agreed to pay any registry or transfer fees that apply to the purchase of your Shares.

6. **PROCEDURES FOR ACCEPTING THE OFFER AND SELLING SHARES**

*Valid Transfer Form.* Except as set forth below, to validly sell Shares pursuant to this Offer, all required documents, being the Transfer Form, must be received by the Purchaser at the addresses set forth on in this Offer before the Expiration Date.

*Nominee Deadline.* If a broker, dealer, commercial bank, trust company or other nominee holds your Shares, you may be subject to a deadline earlier than the Expiration Date for you to act to instruct them to accept the Offer on your behalf.

*Method of Delivery.* YOUR CHOSEN METHOD OF DELIVERY FOR ALL DOCUMENTS IS DONE AT YOUR ELECTION AND YOUR OWN RISK. IF YOU CHOOSE TO MAIL ALL DOCUMENTS, REGISTERED MAILING IS ADVISED TO ENSURE DELIVERY. IN ALL CASES, SUFFICIENT TIME SHOULD BE ALLOWED TO ENSURE TIMELY DELIVERY PRIOR TO THE EXPIRATION DATE.

*Determination of Validity; Rejection of Shares; Waiver of Defects; No Obligation to give Notice of Defects.* All questions as to the validity, form, eligibility (including time of receipt) and acceptance of any Transfer Form will be determined by the Purchaser in its sole and absolute discretion. The Purchaser hereby reserves the absolute right to reject Transfer Forms which are not properly completed or the payment for which we determine may be unlawful. We may waive a condition of the Offer if such waiver is applied to all Shares under the Offer.

*Shareholder's Representation and Warranty; Acceptance Represents an Agreement.* Where any shareholder agrees to sell their Shares to the Purchaser, Transfer Forms properly completed under the procedures described above constitute the shareholder's acceptance of the terms and conditions, as well as a representation and warranty to the Purchaser that: (i) the shareholder owns the Shares at least equal to the Shares stated in the Transfer Form; and (ii) the shareholder is selling their Shares in a manner which is complies with, and is consistent with law.

*Other Requirements.* Notwithstanding any provision of this Offer to the contrary, the Purchaser will pay for Shares purchased pursuant to this Offer only after timely receipt by the Purchaser of a Transfer Form.

7. **WITHDRAWAL BY YOU**

Except as set forth in this Section, a selling shareholder's provision of a completed Transfer Form shall be irrevocable; *provided, however*, any selling shareholder may withdraw prior to the Expiration Date by following the procedure described below. If a withdrawal is to be valid and recognized, the Purchaser must receive a written notice of withdrawal at the address provided in this Offer. The withdrawal must include the number of Shares stated in the Transfer Form, the name of the selling shareholder and the name of the registered shareholder (if different from the selling shareholder).

Any questions regarding the validity or form, or time of receipt, of a notice of withdrawal will be determined by the Purchaser in its sole discretion, and the Purchaser will not be obligated to provide a notification of any defect or irregularity, subject to a court judgment.

## 8. **CONDITIONS TO THE OFFER**

This Offer is being made in compliance with the provisions of section 1019E of the Act.

Notwithstanding any other provision of this Offer, Purchaser will not be required to purchase any Shares and may terminate or amend the Offer, if, immediately prior to any Expiration Date:

(a) there is any potential, threatened, instituted, or pending action or proceeding by any court, government or government agency, regulatory agency, legal authority, or any other person or entity, domestic or foreign, which:

(i) seeks to enjoin the acquisition by Purchaser of any Shares pursuant to this Offer or seeks to restrain or prohibit the making or consummation of this Offer;

(ii) in Purchaser's sole judgment, could materially and adversely affect the Company's business, condition, operations or prospects, or otherwise materially impair in any way the future of the business or materially impair the Offer's contemplated benefits to the Purchaser; or

(iii) materially and adversely affect Purchaser or Purchaser's affiliates' business, condition (financial or otherwise) or otherwise materially impair our ability to purchase some or all of the Shares pursuant to the Offer;

(b) there shall have occurred:

(i) a banking closure or inability to transfer funds in connection with the Offer, due to matters out of our control;

(ii) any change in the operations or assets of the Company that, in our sole and reasonable judgment, is reasonably likely to have a materially adverse effect; or

(iv) we believe, in our sole discretion, that we will not own the Shares or possess any and all rights to receive any distributions, dividends and other payments on account of such Shares, pursuant to the Offer.

The foregoing conditions are for our sole benefit and in our sole discretion may be waived only by us, in whole or in part, at any time before the Expiration Date. Our failure to exercise any of the conditions does not represent a waiver of our rights to exercise such conditions, which we may choose to enforce at any time. Any determination we make regarding a condition and influence on the Offer will be considered final and binding.

We will advise shareholders directly if any of the above conditions become incapable of being satisfied.

#### 9. **TAX CONSEQUENCES**

The Purchaser makes no statement as to the taxation. We recommend that shareholders with questions should discuss the tax consequences of this Offer with their tax advisors, both with regard to federal and state or local taxation.

## Please read the following instructions carefully before completing this form

The Standard Transfer Form you requested is included in this booklet. It is important that the Transfer Form is accurate and complete and all requirements have been met to avoid the form being returned to you for correction or further action.

### When should you NOT use this form?

Do not use this form if you are buying/selling/transferring broker sponsored/CHESS securities. You must contact your broker to perform this transaction. To check whether you have a broker sponsored/CHESS holding, you should look at your Holder Identification Number. If the number begins with an "X" or "L" you will need to contact your broker.

### What to do if you hold certificates

If the holding is certificated, please enclose the original certificate(s) with the transfer form when it is returned for registration. If the original certificate(s) are not provided, the transfer may be returned.

If you are unable to locate your certificates please contact Computershare on the above number.

### Stamp Duty requirements for unlisted securities

If the securities being transferred are not listed on the Australian Securities Exchange (or other recognised exchange), Stamp Duty may be payable. We understand Stamp Duty is only payable in New South Wales and South Australia, however you should confirm this. Assessment and payment of stamp duty (if applicable) must be made prior to sending the transfer form to Computershare.

### Do you need to complete more than one Transfer Form?

You must complete and return a separate Transfer Form for each class of security and each registered holding. For example, if you are transferring ordinary fully paid shares and also options, you will require two transfer forms.

### How do I complete the form?

Carefully read and follow the instructions for Sections A, B and C when completing the form.

### What if I make a mistake when I'm completing the form?

If you make any alteration to the form, it MUST be initialled by both the Seller(s) and the Buyer(s). If you increase the amount of securities being transferred or you use correction fluid or tape, we cannot accept the transfer, even if it has been initialled. You will need to complete a new Transfer Form.

### Who do I contact if I need help with completing the Transfer Form?

If you have any questions about this form or require further assistance please contact Computershare on the above number.

### Where do I return the form?

The original transfer form must be returned to Computershare. We cannot accept a copy, fax or email, so return it by post to the address above. **DO NOT DETACH any part of this form.** All pages must be returned. If all pages are not returned, we may not be able to register the transfer.
